

ATTENTION: Please note that your auto insurance policy is a Named Driver policy. A Named Driver policy does not provide coverage for individuals residing in the household that are not named on the policy.

Texas Statute HB1567 now requires that you acknowledge that you were notified of the Named Driver exclusion on your policy both verbally and in writing.

It is important that you sign and return this page at the time of purchasing your policy.

Your producer will verbally notify you of this information.

Alternatively, to receive verbal notification of this policy exclusion, you may also call the following number and listen to the entire recording.
